

Executive Biography

Scott Fuson

Scott Fuson

Region President, ASEAN and ANZ

Primary Responsibilities

- Oversee Dow Corning's business in the ASEAN/ ANZ regions, and lead geographic and employee leadership development activities in this region.
- Ensure legal entity compliance and adherence to the Code of Business Conduct.
- Responsible for managing Dow Corning's global Life Sciences industry encompassing growth and innovation for the healthcare, personal care, and household care markets.

Experience and Expertise

Scott Fuson joined Dow Corning Corporation in 1982. Throughout his career in Dow Corning, he has held various positions in sales for electronics and aerospace industries, marketing, corporate business development, strategic intelligence, market planning, and strategy development.

In 2005, Scott was elected corporate vice president in 2005, a role in which he led teams that re-defined Dow Corning's service and solutions offerings. He was involved in the early stages of the development of XIAMETER® along with leading the company's activity to integrate all customer-facing activities including e-business, corporate branding, and communications.

In 2007, Scott was named vice president for Dow Corning's Life Sciences Global Market Business Unit.

In 2011, Scott was named region president for the ASEAN and ANZ regions.

Education

- Bachelor of Science in marketing: Indiana University.

External Representation

- Served on the Board of Directors of the Dow Corning Foundation.
- Trustee for the Midland Community Center.

Guiding Principles

- Integrity: be trustworthy in all that you do.
- Loyalty: remain fiercely loyal to your principles and those that helped define you.
- Passion: if something is worth doing, it's worth doing it with passion.

About Dow Corning

Dow Corning (dowcorning.com) provides performance-enhancing solutions to serve the diverse needs of more than 25,000 customers worldwide. A global leader in silicones, silicon-based technology and innovation, Dow Corning offers more than 7,000 products and services via the company's *Dow Corning*® and XIAMETER® brands. Dow Corning is equally owned by The Dow Chemical Company and Corning, Incorporated. More than half of Dow Corning's annual sales are outside the United States. Dow Corning's global operations adhere to the American Chemistry Council's Responsible Care® initiative, a stringent set of standards designed to advance the safe and secure management of chemical products and processes.
