

Executive Biography

Diane Kelly

Diane Kelly President, India

Primary Responsibilities

- Lead Dow Corning's business in India, and lead geographic and employee leadership development activities in the region.
- Ensure legal entity compliance and adherence to the Code of Business Conduct.
- Develop and implement strategy for growth in the region.

Experience and Expertise

Diane Kelly joined Dow Corning in 1979. Her career has spanned positions in both technical and commercial areas managing a range of industries and regions. She has served in marketing roles for the Healthcare, Paper and Construction industries, as well as new business development manager for the Greater China region. She held positions as the Asia Commercial Director for the Engineered Elastomers industry, and leadership roles in launching both the expanded XIAMETER® and Specialty Chemical Business Centers. She became India President in 2011.

Education

- Associate of Science Degree in Chemistry: Delta College.
- Bachelor of Science Degree in Business Administration: Central Michigan University – Marketing major; Chemistry minor.

Guiding Principle

It's easy to make the tough decisions when you ensure that first it's a good business decision for Dow Corning.

About Dow Corning

Dow Corning (dowcorning.com) provides performance-enhancing solutions to serve the diverse needs of more than 25,000 customers worldwide. A global leader in silicones, silicon-based technology and innovation, Dow Corning offers more than 7,000 products and services via the company's *Dow Corning*® and XIAMETER® brands. Dow Corning is equally owned by The Dow Chemical Company and Corning, Incorporated. More than half of Dow Corning's annual sales are outside the United States. Dow Corning's global operations adhere to the American Chemistry Council's Responsible Care® initiative, a stringent set of standards designed to advance the safe and secure management of chemical products and processes.
