

Executive Biography*Kevin Kendrick***Kevin Kendrick**

Vice President
Global Security

Primary Responsibilities

- Provision of security for all Dow Corning assets globally, including people, places and processes.
- Protecting Dow Corning intellectual property and information assets.
- Incorporating intelligence into risk management evaluations.

Experience and Expertise

Kevin Kendrick joined Dow Corning in 2006, after serving nearly 30 years in law enforcement. Kevin began his career in 1976 with the Wayne State University Department of Public Safety. Shortly after, he joined the Detroit Police Department and served in a number of positions before his acceptance into the Federal Bureau of Investigation (FBI).

During his 25-year career with the FBI, Kevin worked in a variety of programs including terrorism, counterintelligence, white collar crime, and drug investigations. His two assignments at the FBI's Headquarters included responsibility for both criminal and administrative matters. His final position in Headquarters was as Deputy Assistant Director for Human Resources.

Kevin's final assignment with the FBI was as Special Agent in Charge of the field office in Charlotte, North Carolina. There, he had responsibility for 120 agents, 150 task officers and more than 100 support staff, spanning the three Federal judicial districts within the state. His responsibilities also included leading all crisis management events involving the FBI and liaising with public and private-sector entities throughout North Carolina.

Education

Bachelor of Science, Criminal Justice: Wayne State University.

External Representation

American Chemistry Council, International Security Management Association, Saginaw Boys and Girls Club, Midland Rotary, Midland Area Partnership for Drug Free Youth.

Guiding Principle

Character, integrity and perseverance are still key attributes of any successful leader, regardless of organizational level.

About Dow Corning

Dow Corning (dowcorning.com) provides performance-enhancing solutions to serve the diverse needs of more than 25,000 customers worldwide. A global leader in silicones, silicon-based technology and innovation, Dow Corning offers more than 7,000 products and services via the company's *Dow Corning*® and XIAMETER® brands. Dow Corning is equally owned by The Dow Chemical Company and Corning, Incorporated. More than half of Dow Corning's annual sales are outside the United States. Dow Corning's global operations adhere to the American Chemistry Council's Responsible Care® initiative, a stringent set of standards designed to advance the safe and secure management of chemical products and processes.
